BSIE students, win in research competition

Two BS Industrial Engineering students, Anne Queen Barbuco and Alen Marquez, won in the research competition (feasibility study category) during the 5th PIIE Regional Congress. Their paper entitled "A project feasibility study on the manufacture of charcoal briquette from coffee bean hull" presented on 17 January 2015 at the University of the Philippines – Los Baños, Laguna. 11 different private and state colleges and universities participated in the event with the theme "Intensified Thinking: Decision Making Under Risk and Uncertainty.

Mr. Willie C. Buclatin, chairman of DIET, and the participants in the research competition held on 17 February 2015 in UP Los Baños.

CvSU chapter celebrates 1st PIIE week

The 1st PIIE week was held on 26-29 January 2015 with the theme "IEmerge: Initiating Optimal Living for Unbounded Excellence". All industrial engineering (IE) students together with the IE alumni joined the event. The activities were quiz bee, seminar, team building, cross dress, sports fiesta, search for Mr. & MS. PIIE 2015, and IE night.

DCEE holds UNITYLYMPICS

The Department of Computer and Electronics Engineering celebrated its 1st UNITYLYMPICS with a theme "UNITYLYMPICS Building Harmony to Future Leaders Towards Transformational Society". The activity was held on 3-4 February 2015 participated by BS Computer Engineering, BS Electronics and Communications Engineering and BS Electrical Engineering students and faculty members. Quiz bee and different sports activities were competed by different teams.

Faculty & Staff Development

- The research project entitled "Water Resource Inventory and Assessment of Labac River Basin" led by Drs. Leyma L. Cero and David L. Cero was approved for implementation with budget allocation of P 200,000 under the CvSU Research Grant.
- Engr. Renato B. Cubilla was invited as resource speaker during the celebration of National Civil Engineering Week on 27 February 2015 in De La Salle University, Dasmariñas, Cavite.
- Dr. Leyma L. Cero, Marlon R. Pereña, Ria Clarisse L. Mojica, and Gemmae G. Pitong attended the Seminar on CvSU Manuscript's Form and Style on 8 January 2015 in SM Rolle Hall, CvSU.
- Three faculty members of the Department of Industrial Engineering and Technology, Willie C. Buclatin, Mary Joyce P. Alcazar and Jerric Almanzor attended the th PIIE Regional Congress with the theme "Intensified Thinking: Decision Making Under Risk and Uncertainty". The congress was held on 17 January 2015 in University of the Philippines – Los Baños, Laguna.
- Dr. Rhodora V. Nuestro, dean of CEIT, attended the Design Thinking Workshop for SUCs in Region IV-A & B, V and NCR on 19-21 January 2015 in Quezon City.
- John Misael V. Villanueva, faculty member of Department of Information Technology attended Graphika Manila 2015: Conference on Creativity in SMX Convention on 31 January to 1 February 2015. He also attended the Italic Calligraphy Workshop in Rockwell, Makati City on 3 February 2015.
- Engrs. Cene M. Bago, Marcelino A. Dagasdas Jr., Renato B. Cubilla and Rico C. Asuncion attended the Seminar Forum on Republic Act 9184 and its Implementing Rules and Regulation on 3 February 2015 in SM Rolle Hall, CvSU.
- Emeline C. Guevarra, head of the University Computer Center, attended the 2015 Annual Innovation and Technology Support Office (ITSO) Planning in Puerto Princesa, Palawan on 10-12 February 2015.
- Willie C. Buclatin and Mary Joyce P. Alcazar, industrial engineering faculty members attended the Second International Conference on Engineering and their Applications on 11-14 February 2015 in World Trade Center.
- Lenard Paulo V. Tamayo, faculty member of the Department of Information Technology attended the Ateneo Initiative for Korean Studies (AIKS): A culture and historical understanding of Korea in Ateneo de Manila University on 14 February 2015.
- Marlon R. Pereña and Charlotte B. Carandang, faculty members of Department of Information Technology attended the PSITE: Embracing ASEAN Integration towards a World Class IT Education on 26-28 February 2015 in Davao City.
