## Establishment of AUTOLPG Technician Laboratory of DOE approved

The Cavite State University through the College of Engineering and Information Technology tied up with the Department of Energy for capacity-building of academic institution to enhance supply of skills in AUTOLPG vehicle conversion, repair and maintenance. A ceremonial turnover of cheque worth 1,000,000 was held on 5 June 2015 at DOE, Taguig City for the establishment of AUTOLPG technician laboratory at the Department of Industrial Engineering and Technology.

The event was attended by Dr. Rhodora V. Nuestro (CEIT Dean), Willie C Buclatin (Chairperson), Danielito Escano (Automotive program section head), and Garry Cahibaybayan and Ma. Fatima Zuniga (DIET faculty members).

### VISION

The premier university in historic Cavite recognized for excellence in the development of globally competitive and morally upright individuals.

### MISSION

Cavite State University shall provide excellent, equitable, and relevant educational opportunities in the arts, sciences and technology through quality instruction and responsive research and development activities. It shall produce professional, skilled and morally upright individuals for global competitiveness.

The Dean, Dr. Rhodora V. Nuestro together with the chairman and faculty members of the Department of Industrial Engineering and Technology received the check worth P1M from the Department of Energy on 5 June 2015 for the establishment of AUTOLPG Technician Laboratory.

## DIT conducts extension program

The Department of Information Technology conducted a 24-hour training for 34 teachers and 14 out-of-school youth (OSY) participants from Barangay Alulod on 11 – 13 May 2015. The extension activity included discussions on open source applications and photo editing.
