Cavite State University • Indang, Cavite, Philippines

AUGUST 2014

### VISION

The premier university in historic Cavite recognized for excellence in the development of globally competitive and morally upright individuals.

### MISSION

Cavite State University shall provide excellent, equitable, and relevant educational opportunities in the arts, sciences and technology through quality instruction and responsive research and development activities. It shall produce professional, skilled and morally upright individuals for global competitiveness.

## 3 CEIT Profs Present Papers in ASEAN Conference

Three CEIT instructors attended the 4<sup>th</sup> ASEAN Summit, held at Bogor Indonesia on August 18-19, 2014. Department of Computer and Electronics Engineering (DCEE) faculty members namely: Ms. Emeline C. Guevarra and Ms. Marivic G. Dizon presented the papers entitled "Development of a Programmable Multipurpose Forced Convection Type Dryer " and "Development of an RC Railed Robot for Coffee Nursery Logistics", respectively. Together with them was Mr. Marlon P. Pereña of the Department of Information Technology (DIT) who presented his paper entitled "Development of Programmable Logic Controller (PLC) – based Coffee Pulper for Wet Process". The event was organized by the Ministry of Research and Technology of the Republic of Indonesia.
