employment opportunities as well as develop camaraderie between and among the participants. In addition to the seminar and social night, various competitions were held, namely: vocal solo, team sports, poster making, junkart, logo making, AE race, ICE parts identification, tractor parts identification, tractor rodeo, tractor hitching, AE quiz, AutoCAD challenge, Mr. and Miss PSAE, and research presentation. On the third day, the participants toured selected farms and tourist destinations in Tagaytay City.

CEIT Professor Completes Graduate Studies

The College of Engineering and Information Technology congratulates Mr. Jake R. Ersando for completing his Master of Science in Information Technology at Polytechnic University of the Philippines, Manila. He graduated on December 5, 2014. Mr. Ersando is one of the faculty members of the Department of Information Technology.

The graduate, Mr. Jake R. Ersando

CEIT’s New Civil Engineers

The College congratulates the successful examinees of the Civil Engineer Licensure Examination given by the Professional Regulation Commission on December 6-7, 2014.

The new professional civil engineers are Aldrich Kevin S. Acuña, Jayvee F. Asistores, Eugene R. Bagay Jr., Aries Kenneth M. Balancio, Manuel O. Brillo Jr., Lucky D. Camaddu, Patrick Jerald L. Camilon, Rodnel Rick C. Cervantes, Kevin Jay E. De Leon, Gyan Karlo P. Feranil, Jovhan S. Gondong, and Rowen M. Gopio. Cavite State University obtained 72.73% (16 out of 22 takers) while the national passing is 49.48% (4,021 out of 8,127 takers).

2 CEIT Researches published in International Journals

The International Journal of Arts and Sciences published the paper of Dr. Rhodora V. Nuestro entitled “Microcontroller-Based Integrated Spent Coffee Processing System for Oil Extraction” in its Issue No. 7, Vol. 3 on December 2014. The research was presented at the American-Canadian Conference for Academic Disciplines on May 19-22, 2014 in Toronto, Canada.

Meanwhile, the Mechatronics, Electrical Power and Vehicular Technology (MEV) Journal published the research of Prof. Marivic G. Dizon, faculty of the Department of Computer and Electronics Engineering on December 24, 2014 in its Issue No. 2, Vol. 5. The paper entitled “Design and Development of RC Railed Robot for Coffee Nursery Logistics” was presented at the ASEAN Conference on Science and Technology held at Bogor, Indonesia on August 18-19, 2014.
