

## Student Development

### **CvSU bags 1st runner-up in PAESTigan IV**

The Bachelor of Science in Agricultural Engineering (BSAE) students of Cavite State University (CvSU) proved their knowledge on the Philippine Agricultural Engineering Standards (PAES) by winning the first runner-up in the PAES State Colleges and Universities National Quiz Contest (PAESTigan IV) on January 25, 2014 at the University of the Philippines Los Baños, Laguna. In the previous PAESTigan quiz contests, CvSU placed the top three.

Gee Jay Bartolome, Jonathan Flores and Sarah Salgado composed the CvSU team. They received a trophy, certificate and P30,000.00 cash prize. Dr. Leyma L. Cero accompanied the CvSU delegates which was the biggest delegation during the contest. The event was participated by 17 SUCs nationwide.

The CvSU Team to PAESTigan IV together with Dr. Leyma Cero (middle).

### **CEIT IE Teams Win in National and Regional Sports Fiesta**

Cavite State University not only trains but also molds its students to be morally upright individuals and to excel in academics. Also, it prepares its students to the world of sports competition in order to balance academics and other extra-curricular activities resulting to a better quality of life as an individual.

It is our PRIDE that during the regional competition or elimination, PIIE-CvSU Chapter represented the region to the National Competition held on January 11, 2014 at De La Salle University–Dasmariñas City. The teams triumphed in mixed volleyball (champion) and table tennis (first runner up).

The Regional Industrial Engineering Sports Fiesta 2014 was participated by different colleges and universities in the CALABARZON area. The CEIT Industrial Engineering students joined the activity and won the championship in table tennis (men-singles) event and first runner up in mixed volleyball.

## Faculty and Staff Development

The faculty and staff have actively participated in different trainings, workshops and seminars.

Eight of the faculty members and staff of the College, namely: Engr. Ronald Peña, Engr. Efren R. Rocillo, Mr. Andy A. Dizon, Ms. Ma. Fatima B. Zuñiga, Mr. Keno S. Domingo, Mr. Danielito R. Escaño, Mr. Garry M. Cahibaybayan, Mr. Dindo Marges and Mr. Arlis D. Deri have successfully completed and passed the Trainers' Methodology Course conducted by the Technical Education and Skills Development Authority (TESDA) Provincial Training Center on October 15, 2013 – December 6, 2013 in Cavite State University.

On January 16, 2014, the dean, Dr. Rhodora V. Nuestro together with Engr. Ronald P. Peña and Prof. Marivic G. Dizon attended the 1st CALABARZON Consortium of Engineering Schools Meeting, held at Lima Park Hotel, Malvar, Batangas. The objectives of the consortium were to update its members on industry trends and developments, share manpower and laboratory resources, share best practices on the implementation of Outcome-based Education (OBE) and On-the-Job (OJT) programs, enhance teaching competencies and others that will benefit the members. The activity was followed by the 1st Electronics Kapihan @ CALABARZON 2014 attended by Prof. Marivic G. Dizon and Mr. Willie C. Buclatin.

The dean, Dr. Rhodora V. Nuestro, College Research coordinator, Dr. David L. Cero, and College Extension coordinator, Prof. Poinsettia Vida attended the Review of the University Research and Extension Agenda on January 27-28, 2014 at Lima Park Hotel, Malvar, Batangas.
