

CE Week Celebrated

The Philippine Institute of Civil Engineers Cavite State University – Student Chapter (PICE CvSU-SC) together with the Department of Civil Engineering successfully celebrated the Civil Engineering Week 2014 on November 17 - 21, 2014. The event was held as a response to the National Civil Engineering Month celebrated every November.

A series of activities were conducted that include Symposium and Company Talk, Rube Goldberg and Bridge Competition, Bridge Building Competition, and CElympics. The week-long event was celebrated with the theme “ASCEND: Building Innovations for a Sustainable Future”. The primary goal was to show the advent of change in the field of civil engineering towards sustainability.
