SEPTEMBER 2014

VISION

The premier university in historic Cavite recognized for excellence in the development of globally competitive and morally upright individuals.

MISSION

Cavite State University shall provide excellent, equitable, and relevant educational opportunities in the arts, sciences and technology through quality instruction and responsive research and development activities. It shall produce professional, skilled and morally upright individuals for global competitiveness.

DIET Extension Wins Third Best Paper and Poster

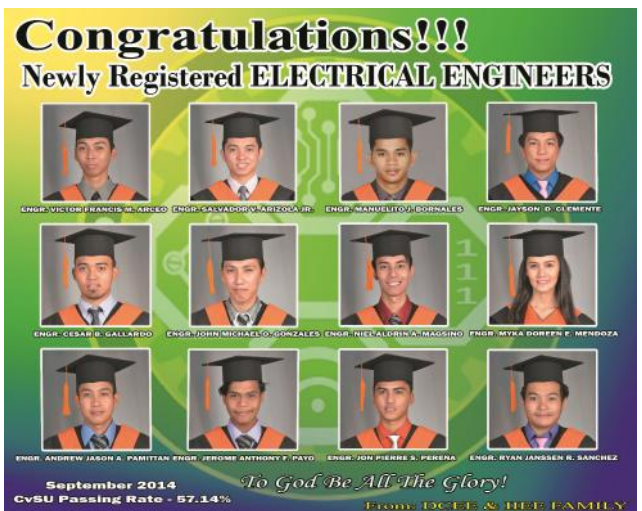

The University celebrated the 5th Research, Extension, Continuing Education and Training Services (RECETS) week on September 1-4, 2014 at the Santiago M. Rolle Hall with the theme "Addressing Food Security and Climate Change through RDE". The four-day activity highlighted the presentations and review of the various research, development and extension programs and projects of the University.

Mr. Willie C. Buclatin, chairman of the Department of Industrial Engineering and Technology (DIET) and Mr. Danielito R. Escaño, instructor of Automotive Technology presented their paper entitled "CEIT Ugnayan: Kaalaman, Kabuhayan at Kapaligiran sa Barangay; Training for Out-of-School Youth of Barangay Alulod, Indang, Cavite. The project won third place both in paper presentation and poster making contests.

New Electrical Engineer Board Passers

The College of Engineering and Information Technology congratulates the successful examinees of the Electrical Engineer Licensure Examination given by the Professional Regulation Commission (PRC) on September 6-7, 2014.

The new professional electrical engineers are Victor Francis M. Arceo, Salvador V. Arisola Jr., Manuelito J. Bornaless, Jayson D. Clemente, Cesar B. Gallardo Jr., John Michael O. Gonzales, Niel Aldrin A. Magsino, Myka Doreen E. Mendoza, Andrew Jason A. Pamittan, Jerome Anthony F. Payo, Jon Pierre S. Pereña, and Ryan Janssen R. Sanchez. Cavite State University obtained 57% while the national passing is 59.82% (2,190 out of 3661 takers).

CEIT, University Games 1st runner-up

The College of Engineering and Information Technology placed second during the University Games held on September 15 - 19, 2014. This year's overall champion is the College of Sports and Physical Education and Recreation (CSPEAR). CEIT bagged 49 gold, 58 silver and 39 bronze medals. Among the main events that the CEIT got gold medals were basketball and football (men division). CEIT placed second in the cheerdance competition.

This year's university games theme was CvSU going ASEAN, going global through sports.
