1. Dismantling of roofing, trusses, wooden wall and partition, masonry walls, electrical and plumbing fixtures.
2. Roofing sheets must be turn over to PPS.
3. The contractor must be responsible for the post cleaning of unwanted residue that may affect the well-being of the nearby occupants well as the neighbourhood.

V01-2018-06-14

4. The contractor must be responsible for the post clearing of all incurred debris and litter of the demolition.
5. The contractor must also be responsible for the restoration of all equipment, structures and vegetation that has been moved, alter or misplaced during the demolition.

**II. Note**

- a. See/consult end-user for details/extent of work. The silence of specification, plans, special provision and supplementary specifications as to any detail, or the apparent omission therein of a detailed description or definition of the quality of materials and workmanship shall be regarded to mean that only materials and workmanship of first class quality are to be used or employed.
- b. All works will be facilitated by the contractor.
- c. All tools and equipment necessary for executing the work will be provided by the contractor.
- d. Works that are necessary but are not cited in the above specifications will be facilitated by the contractor.
- e. Materials that are necessary but are not included in the above program of works will be provided by the contractor.
- f. No modifications will be done without the approval of end-user, project inspector, and implementor.
- g. Verify actual measurement on site.
