CO2 standby power supplier – or its equivalent is acceptable.
Accessories – standard available for every brand/model is acceptable.

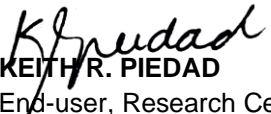

C. Other Matters:

1. Country of origin does not matter. but will be considered in the evaluation.
2. The project is early procurement, therefore, short of award, 120-day bid validity is enough.
3. Bid submission through Courier system is recommended if cannot attend the face to face bid opening.
4. SLCC will be based on the total ABC and 2 aggregated contracts can be considered for SLCC.
5. Presence of suppliers in the market is 5 at least 5 years.
6. The BAC is still requesting prospective bidders to submit three (3) sets of bidding documents for simultaneous opening and evaluation of the BAC members and TWG for the documentary requirements of the project.
7. Payment of bidding documents is required before submission. Deadline of bid submission is on December 29, 2020 at 12:00 noon, late bids will not be accepted.
8. Bid opening will be face to face, to be held on December 29, 2020 at 1:00pm at CvSU International House 2.
9. For those who are interested to attend the bid opening, prospective bidders are advised to send one (1) representative per company. The University is implementing a health protocol to observe, that is to wear mask and face shield and to present a valid health certificate from Barangay or Rural Health Unit.

For guidance and information of all concerned.
