

Lot 7- Safety and Security Equipment

NO.	ITEM DESCRIPTION	SPECS	QUANTITY	UNIT COST	TOTAL COST	REFERENCE PICTURE
1	2 way Handheld Radio	<ul style="list-style-type: none"> • 22-Channel Weatherproof 35 mile Range Two Way Radio • 5 Mile Range - uses FRS/GMRS channels, and has a range of up to 35 miles • Dual Power - NiMH rechargeable batteries or use three AA batteries • Compatible With Any Radios • Voltage: AC 230V, 50/60HZ • Voltage withstand: 500 VAC • Insulation impedance: 100 mΩ (at 500 VDC). • Loud Volume :160DB • Heavy duty construction and 100%copper motor • Body Material:Aluminum and Steel • Weight: Approx. 6KG 	200	6,000.00	1,200,000.00	
2	Motor Driven Air Raid Warning Siren	<ul style="list-style-type: none"> • at least 6 Detecting Zones • For Indoor Use only • at least with an embedded precision thermal scanner. • Aluminum Alloy Frame, resistant to moisture and fire. • Human Shape LED Display indicates what general area in the body is the metal detected. • Counts the total people who crossed the detector for recording purposes. • Sensitivity of zonal detectors can be adjusted to avoid false positive alarms • Approx. Dimension: 2200mm x 800mm x 500mm • Harmless on the human body, heart pacemakers, pregnant women. • Password protected configuration so only authorized personnel can operate. 	30	13,000.00	390,000.00	
3	Walk through metal scanner	<ul style="list-style-type: none"> • at least 6 Detecting Zones • For Indoor Use only • at least with an embedded precision thermal scanner. • Aluminum Alloy Frame, resistant to moisture and fire. • Human Shape LED Display indicates what general area in the body is the metal detected. • Counts the total people who crossed the detector for recording purposes. • Sensitivity of zonal detectors can be adjusted to avoid false positive alarms • Approx. Dimension: 2200mm x 800mm x 500mm • Harmless on the human body, heart pacemakers, pregnant women. • Password protected configuration so only authorized personnel can operate. 	15	100,000.00	1,500,000.00	
4	CCTV Camera w/ monitor and Recording System	<ul style="list-style-type: none"> • HD CCTV Package • 1 x DVR-HD Digital Recorder16 channel • 1 x 4TB HDD • 8 x Indoor Dome 720P Camera, • 8 x Outdoor Bullet 720P Camera, • 4 x 12V Power Adaptor • 4 x 4 in 1 splitter cable • 16 x 20 Meters Cable with Connector • 1 x Monitor • 1 x User Manual 	100	30,000.00	3,000,000.00	
5	Emergency Alarm with Voice Alarm Integration	<ul style="list-style-type: none"> • Paging Horn Speakers with Transformers approx. 8" 70V In-Ceiling Speakers • Voice Alarm System Amplifier • 240W VM Extension Amplifiers • AM/FM Stereo Tuner • 20 Amp Bidirectional Remote Sequencer • Emergency Power Supply • Desktop PTT Paging Microphone • Fireman's Microphone • Remote Microphone • 21" Deep Sectional Wall Rack with Steel D • Perforated Flanged Panels • Rackmount Kit (for Tuner) • Back Cans for PC Speakers • approx. 5000 ft Speaker Cable • approx 500 ft Audio Cable 	25	100,000.00	2,500,000.00	

6	School Security Wireless Duress Alarm		15	100,000.00	1,500,000.00	
7	Gate Access Control System; contactless card reader/machine/terminal; RFID card in PVC material	<p>Working environment: sheltered indoor or outdoor Speed of throughput: RFID- approx 42/minute Working temperature: at least -28°C-60°C Working humidity: approx.5%-80% Lane width(mm): approx. 600 Dimensions(mm): approx L=1350,W=300,H=1010 Power requirements: AC 100 ~ 120V/200 ~ 240V, 50/60Hz ergonomic design and easy operation</p>	150	20,000.00	3,000,000.00	
Total					13,090,000.00
