BIDS AND AWARDS COMMITTEE
(INFRASTRUCTURE PROJECTS)

SUPPLEMENTAL / BID BULLETIN NO. 2

This Bid Bulletin is issued to modify or amend items in the Bid Documents. This shall form an integral part of the Bid Documents. Please take note of the changes/adjustments for the project, **Renovation of Birthing Home Facility (CvSU-BAC-INFRA-23-003)** with an ABC of **₱ 2,118,130.22**:

1. Site inspection is a must. Verify actual condition of site.
 - Site temporary enclosure may be sack or any suitable materials that may enclose the workplace.
2. All areas affected by the renovation/repair works shall be restored/retouched plain cement finished.
3. For colors/types of any fixtures or materials to be used on site, consult the end-user and the inspector for approval. Consult the plan and the scope of work for the extent of tasks of the contract. If possible, let the end user sign your sample as proof of approval. In the event that discrepancies on plans and scope of work occur, generally, the scope of work prevails.
4. *This bid bulletin does not cancel the information given in the scope of work of the Bill of Quantities but adds clarification to it. Please attach this added information/ bid bulletin to the BOQ and include in the financial envelop.*
5. Resident site engineer is a must for the projects to be undertaken by the contractor of the university. In cases where there are electrical works, it is required that an electrical engineer or a master electrician be a part of contractors' team to supervise all electrical works. Likewise, master plumbers must supervise plumbing works. Safety Engineer is a must as per DOLE requirement. It can be considered when only one person is the master plumber and the master electrician at the same time as long as his major duty is supervision of both fields. For projects with FDAS (smoke detector, bell etc.) a Registered Electrical Engineer or Registered Electronics Engineer is a must, and for projects with Fire Protection Works (stand pipe, sprinkler, etc.) a Registered Mechanical Engineer.

*** All key personnel should be included in the list of personnel for submission.

6. In cases of participation to two or more projects, the set of workers and foreman shall be different per project however, the set of engineers and equipment may be reused.
7. Construction safety and health program as well as construction schedule (PERT/CPM/S-Curve) shall be provided by the winning bidder.

GENERAL NOTES:

1. List of Key Personnel

- Include only the Key Personnel with their complete qualification and experience data.

2. Joint Venture

- Special PCAB License
- For Infrastructure Projects, JV bidder's shall submit a JVA in accordance with R.A. 4566 and its IRR. (See Section 23.1 (b) of RA 9184)

3. Single Largest and Completed Contract

- "The prospective bidder must have completed an SLCC that is similar to the contract to be bid, and whose value, adjusted to current prices using the PSA consumer price indices, must be at least fifty percent (50%) of the ABC to be bid: Provided, however,

That contractors under Small A and Small B categories without similar experience on the contract to be bid may be allowed to bid if the cost of such contract is not more than the Allowable Range of Contract Cost (ARCC) of their registration based on the guidelines prescribed by the PCAB.” (Section 23.4.2.4)

- No prescribed template

4. Minutes of the Meeting

- Posted in the PhilGEPS website and CvSU website

5. Forms to be used

- Bill of Quantities - original BOQ to be issued upon purchased of the Bidding Documents which bear the signature of the Chairperson.
- For other forms, no prescribed template (Detailed Estimates, Summary Sheet and Cash Flow by Quarter).
- For Statement of Single Largest and Completed Contract, and Statement of Ongoing and Completed Contracts, there is no prescribed template.

The two statements required shall indicate for each contract the following:

- (ii.1) name of the contract;
- (ii.2) date of the contract;
- (ii.3) contract duration;
- (ii.4) owner’s name and address;
- (ii.5) nature of work;
- (ii.6) contractor’s role (whether sole contractor, subcontractor, or partner in a JV) and percentage of participation;
- (ii.7) total contract value at award;
- (ii.8) date of completion or estimated completion time;
- (ii.9) total contract value at completion, if applicable;
- (ii.10) percentages of planned and actual accomplishments, if applicable; and
- (ii.11) value of outstanding works, if applicable.

5. Covid Protocols/Guidelines to be followed

- During implementation, the Construction Safety and Health Program submitted by the winning bidder should be followed.
