

LOT D -COLLAPSED STRUCTURE Tools, Equipment and Accessories

ITEM	ITEM DESCRIPTION AND SPECIFICATION	QTY	UNIT	TOTAL COST	REFERENCE PHOTO
1	<p>1.1 HYDRAULIC AIR/TABLE LIFTER *at least 500kg capacity * approx. 0.9m, to 1.5m lift height</p>	2	Set	1,998,000.00	
	<p>1.2 Rescue Hydraulic Cutter Spreader Combination Tool Battery Powered combination tool Voltage: at least DC18V Battery: DC lithium battery approx 18V3.6Ah Spreading distance: at least 300mm Dimensions(L*W*H): approx. 728.5X154x279mm Max cutting force: approx. 313KN Max expansion forcer: approx 135KN Max.pulling force: approx. 200KN Charger input: AC220-240V 50/60Hz 75W Charger output: 7.2-30V 2-2.8A Gross weight: approx. 34kg net weight: approx. 17kg</p>	2			
	<p>1.3 Come-along rescue tool *At least 2Ton Capacity *aluminum alloy frame *interlocking pawl system *with cable guide *approx. 7x19 highly flexible aircraft cable with crimped copper sleeve *360degrees swiveling hook with latches</p>	2			
	<p>1.4 Heavy duty electric drill -reversible w/ 1/2-inch chuck -at least 22V, 450W</p>	2			
	<p>1.5 Reciprocating saw, 220 V Rated Power Input: approx 590 W No-Load Strokes: approx. 0-2300/min Length of Strokes: at least 30 mm</p> <p>with replacement blades for: -cutting wood, 6-8" length, wood cutting blade -cutting metal, 6-8" length, metal cutting blade</p>	2			
	<p>1.6 Extension cord, heavy duty *approx. 220v 10 amperes 2 x 1.5mm Core *heavy duty cable wire type of at least 50 meters long *at least 3-4 Socket Outlet * thermal overload protection/Reset Button, outdoor capacity</p>	25			

<p>1.7 Megaphone Size(cm): 35 x 23 x 24 Output: 25W Effective distance: 700m Horn diameter: 230mm Detachable microphone, volume control</p>	25			
<p>1.8 FAST DEPLOYMENT TENT Style : Outdoor Tent Size : at least 10 and more pax Tent Structure : at least 3-Tier Accounting Tarpaulin Waterproof Index : Greater3000MM Time-to-Market : 2016Summer Bracket Material : Steel</p>	15			
<p>1.9 Safety Cones Heavy duty, At least 90cm rubberized, with black rubber base</p>	30			
<p>1.10 Emergency Tool Box and Organizer Size: At least 8ft length x 3ft width x 3ft height color:orange/green function: with padlock, with heavy duty handles for both sides and top, heavy duty, movable preferably with heavy duty roller wheels Rust Resistant and water proof inside wear and tear resistant, durable with labels and specification "for disaster response use only"</p>	30			
<p>1.11 Warranty & Support • 1year warranty and maintenance • Calibration and support after 1 year</p>				
TOTAL			1,998,000.00
