The face-to-face pre-bidding conference for the SUPPLY, DELIVERY, INSTALLATION, TESTING AND COMMISSIONING OF BRAND-NEW ELEVATOR FOR CON (INCLUDING SHAFT EXTENSION AND ELECTRICAL SUPPLY) held at Lasap Hall, Cavite State University, Indang, Cavite on February 28, 2024, was called to order at 2:30 p.m. and was presided over by the BAC Chair, Dr. Mary Jane D. Tepora.

The Chair introduced the BAC Members, members of the Technical Working Group, members of the BAC Secretariat, and the End-User. The Chair also acknowledged the presence of representatives from the four (4) prospective bidders. No COA and/or private sector representatives attended the meeting.

A. The Chair emphasized and clarified the following:

1. The ABC of the project is Three Million Five Hundred Thousand Pesos (₱3,500,000.00).
2. The source of funds for the project is Fund 164.
3. For the interest of time and since as per the understanding of the BAC that the prospective bidders already reviewed the specifications of the equipment before attending the pre-bid conference, the BAC Chair already proceed to entertain the questions and clarifications from the prospective bidders.

B. Queries/ Clarifications from the prospective bidders:

1. The representative from Nanotech asked if the shaft extension is smaller than CON. He also inquired if the End-User would stick to the capacity of the elevator car of 1000kg and its dimensions similar to the project of CON.
2. The BAC Chair in agreement with the TWG reiterated that the specifications posted are just the minimum requirements, thus, offers with higher specifications will be accepted. The BAC Chair then emphasized that site inspection is also required for this project.
3. The representative from VTSA raised that his concerns for this project are the same issues that he had raised from the previously discussed project (*see minutes of the pre-bid conference for the Supply, Delivery, Installation, Testing, and Commissioning of Brand-New Elevator for CON Including Shaft Extension and Electrical Supply for reference*).
4. The representative from Nanotech noticed that the End-User requires control features for PWD such as braille for the visually impaired and railings same as the requirement for CON.
5. The TWG answered that features for PWD are the same as the requirement for CON.

C. Revised specifications/ Agreements:

1. The contract duration of the project is 120 calendar days.
2. Request for an extension for the implementation/ delivery of the project will be accepted in consideration that there are valid and justifiable reasons for the delay, subject to the approval of the TWG and the BAC.
3. Certificate of site visit is a requirement as an attachment to the bid document.
4. Other queries from the prospective bidders will be accepted until March 4, 2024.
5. All other changes in the specifications will be posted in the bid bulletin on March 6, 2024..

6. All bids will be subjected to bid evaluation. The lowest calculated bid will be subjected to post-qualification.

D. Other Matters:

1. The BAC is requesting prospective bidders to submit three (3) sets of bidding documents for simultaneous opening and evaluation of the BAC members and TWG.
2. Bid documents should be packaged well and should contain “ear tags” or “document tabs” for easy scanning of all the BAC members.
3. Payment of bidding documents is required before the submission of bids. The deadline for bid submission is on March 13, 2024, at 8:00 a.m., late bids will not be accepted.
4. The face-to-face bid opening will be held on March 13, 2024, at 2:30 p.m. at CvSU Lasap Hall, Administration Building.
5. Bid submission through the courier system is also allowed. However, the bid documents must be received by the BAC before the deadline for submission of bids.
6. For the payment of bid documents, the prospective bidders are requested to coordinate with the BAC Secretariat. Online payment through Landbank Link.Biz is accepted.
7. For those who are interested in attending the face-to-face bid opening, prospective bidders are advised to send one (1) representative only per company. The University is implementing a health protocol to observe, thus, wearing face masks and social distancing is encouraged during the bid conference.

Since there were no queries from the bidders and the BAC members, and there were no other matters to be discussed, the pre-bid conference was adjourned by the BAC Chair at 3:00 p.m.
