Magcawas presided over the pre-bid conference on behalf of the BAC Chair.

The Chair introduced the BAC Members, members of the Technical Working Group, members of the BAC Secretariat, and the End-Users. The Chair also acknowledged the presence of representatives from three (3) prospective bidders. Representatives from COA and private sectors were invited but unfortunately did not attend the pre-bidding conference.

- A. The Chair emphasized and clarified the following:
1. The ABC of the project is One Million Five Hundred Fifty-Three Thousand Five Hundred Fifty Pesos (₱1,553,550.00) consisting of five (5) items.
  2. The source of funds for the project is Fund 164.
  3. The project is on a bid-all basis.

4. For the interest of time and the BAC's understanding that the potential bidders had already studied the equipment specifications prior to the pre-bid conference, the BAC Chair allowed the potential bidders to ask questions and seek clarifications.

5. The items for procurement are as follows:

Item 1: 2 sets of Maternity Abdomen for Leopold's Maneuver

Item 2: 2 sets of Fetal Monitoring and Labor Progress Model

- One of the bidders clarified if the 2 breasts are removable since it depicts the photos provided.

1.2. Item 5: 2 sets of Childbirth Demonstration Pelvic Model

- Suggestion for the deletion of the first bullet in the specifications since the request only denotes the inclusion of a fetal skull, not a baby model.

2. The photos indicated in item no. 4 are for reference purposes only. The End-User emphasized that the breasts in the simulator requested are removable but not all the 4-breast sample are included.

3. The End-User agreed with the suggestion of the deletion of the first bullet in item 5.

4. The committee noted all the comments and suggestions of the potential bidders. The Chair reiterated that the presented specifications per item are just minimum requirements. The potential bidder/s can offer items with higher specifications.

5. All changes in the technical specifications will be posted on PhilGEPS and CvSU website as a supplemental bid bulletin on March 20, 2025.

6. The standard delivery period is thirty (30) days. However, a request for an extension of the delivery period will be accepted in consideration that there are valid and justifiable reasons for the delay, subject to the approval of the TWG and the BAC.

7. Other queries from the prospective bidders will be accepted until March 18, 2025.

8. All bids will be subjected to bid evaluation. The lowest calculated bid will be subjected to post-qualification.

C. Other Matters:

5. The BAC is also requesting prospective bidder/s to include the technical specifications together with the brand name and model of their offers in the price schedule (financial component) and shall include product brochures in the technical document which may help the TWG in the post-qualification procedure and the BAC Secretariat in the preparation of Purchase Order.
6. Payment of bidding documents is required before the submission of bids. The deadline for bid submission is on March 27, 2025 at 8:00 a.m., late bids will not be accepted.
7. The face-to-face bid opening will be held on March 27, 2025 at 9:00 a.m. at CvSU Board Room, Administration Building.

9. For the payment of bid documents, the prospective bidders are requested to coordinate with the BAC Secretariat. Online payment through Landbank Link.Biz is accepted.
10. For those who are interested in attending the face-to-face bid opening, prospective bidders are advised to send one (1) representative only per company.
