**BIDS AND AWARDS COMMITTEE**  
(INFRASTRUCTURE PROJECTS)

**SUPPLEMENTAL / BID BULLETIN NO. 2**

This Bid Bulletin is issued to modify or amend items in the Bid Documents. This shall form an integral part of the Bid Documents. Please take note of the changes/adjustments for the project, **Construction of Perimeter Fence at New Acquired Land (CvsU-BAC-INFRA-25-011)** with an ABC of ₱ 12,000,000.00.

1. Site inspection is a must. Verify actual condition of site.
2. Site temporary enclosure may be sack or any suitable materials that may enclose the workplace.
3. Total length of perimeter fence is 2,100 meters.
4. Pages 2 and 3 (S-1 and S-2) are excluded from the plan.
5. Masonry works should be plastered rough cement finish on both sides of the fence.
6. For items including the mobilization, demobilization and processing of permits, required to provide a detailed breakdown of costs. These items should not be presented as lump sum amounts, but rather as itemized cost components
7. Detailed Cost Estimate will be provided by the contractor using their own format.
8. There is no need to provide a survey plan for the lot's perimeter fence.
9. Barbed wire will be used for the project; no cyclone wire will be used. See plans (A1/S1) for details.
10. It is not allowed to dismantle any part of the existing fence to haul materials and equipment. There are large access or entry points on-site that can be used to reach the area.
11. The fence height is consistent along the entire 2.1-kilometer stretch. See plans (A1/S1) for the exact height of the fence.

**GENERAL NOTES:**

1. *This bid bulletin does not cancel the information given in the scope of work of the Bill of Quantities (BOQ) but adds clarification to it. Please attach this added information/bid bulletin to the BOQ and include in the financial envelope (envelope 2).*
2. *The colors, types and specifications of all fixtures and materials to be used on site should be consulted to the inspector or end-user for approval. As possible, let the end-user or the inspector sign the approved sample. Further, consult the plan and the scope of works as well as the end-user and inspector for the extent of tasks of the contract.*
3. *In the event that discrepancies on plans and scope of work occurs, generally, the scope of works prevails. Further, whichever is advantageous to the government is given priority.*
4. *For concrete works: provide ready mixed concrete of specified strength.*
5. *Materials to be used on site must be subjected to material testing which will be charged to the contractor.*
6. *Let it be observed that all door knobs to be installed on doors of all buildings be that of heavy-duty lever type.*
7. *Multi-roles are allowed for the key personnel who are the engineers and managers of the project.*
8. *All certifications and pertinent documents on electrical works shall be signed and sealed by PEE. In addition, electrical permits shall be up to securing approved CFEI.*
9. *Location of temporary warehouse and barracks will be discussed during the pre-construction meeting.*
